Fruit Coulis & Toppings

Ezy Chef Fruit Coulis & Toppings are made using NO PRESERVATIVES. Where possible we use 100% Australian grown fruits that are sourced off the farm and packing sheds. Some fruits due to seasonality cannot be sourced within Australia and need to be imported. Ezy Chef's aim is to take away all the cumbersome tasks and create a Coulis or Topping which is excellent in taste and is easy to use.

Ezy Chef Coulis range meets with Texture C smooth Puree guidelines (**Texture C Smooth Pureed - Food is smooth, moist and lump free, Australian Standards for Texture Modified Foods & Liquids*). We have also developed a range of low brix (sugar content) Toppings to comply with healthcare customer demand. The process used to convert the fruit into Coulis or Toppings locks in the natural nutrition, colours and goodness providing a minimum shelf life of 6 months chilled.
