Doehler Australia and Ezy Chef Group announce strategic alliance.

10th Nov 2023

Doehler (www.doehler.com) is a global producer, marketer and provider of technology-driven natural ingredients, ingredient systems and integrated solutions for the food and beverage industry.

Ezy Chef (www.ezychef.com.au / www.ezyfoods.com.au) is a 100% Australian owned leader in Texture Modified Vegetable, Fruit & Herb processing and a solution provider to the Industrial Sector. Ezy Chef also caters to the Food service and Retail sectors of the food industry, with a key focus on Health (Hospitals, Age Care and In Home).

Capabilities: **Doehler's** brings global expertise and leading technologies across natural flavours, natural colours, health ingredients, pulses and cereal ingredients, dairy and plant-based ingredients, fermented ingredients, dry fruit and vegetable ingredients, fruit, and vegetable ingredients to ingredient systems. **Ezy Chef** brings the purpose-built Texture Modified processing technology providing puree and mash in a range of convenient packaging formats. Both companies are excited by opportunities, innovation, and cost optimization they can bring to existing and potential customers.

The alliance will provide Doehler and Ezy Chef operational and distribution synergies to reach a broader customer base with a northern and southern Australia manufacturing footprint which will provide additional security of supply for customers.

The collaboration between Doehler and Ezy Chef will use their combined sales and product development teams to expand their product portfolios and diversify into new market segments.
